

Data Privacy Policy

By Minnesota law, information you provide in applying for a library card, except your name, as well as information which links your name with library materials is private. Other than with a valid court order, it is available only to you and to appropriate library personnel. This information is required to support library services. If you are under age 18, information about materials requested, checked out, or kept overdue is available to your parent or guardian. You may ask to have this information withheld by filling out a data privacy request form. However, we can only withhold this data from your parents if it is determined to be in your best interest to do so.
